

Product name	Rocket launcher
Product number	WBOT11U
Disinfectant type	Hypochlorous acid, sodium hypochlorite, hydrogen peroxide, <u>peracetic acid</u>
Remote intelligent control	Support
Atomized particle size	2~5μm
Battery capacity	20800mAh/37V
Battery life	3~4h
Charging time	3.5~4h (Off state) 4.5~5h (Power-on state)
The amount of fog	Three gear adjustment (1200/2000/3000mL/h)
Water tank volume	13L
Disinfection method	Single disinfection, cycle disinfection
Language mode	Chinese、 English
Lidar	20m
Product weight	37KG
Product Size(L×W×H)	450mm×450mm×1360mm
